

60 YEARS OF ENDURING VALUES

VIEWPOINT SCHOOL 2020-2021 ANNUAL REPORT

OUR MISSION

To create exceptional readiness for extraordinary futures
by cultivating the critical skill set, courageous mindset,
and resilient identity of each individual Viewpoint student

OUR VISION

A school where tradition connects us and innovation propels us
A community where families value unity in diversity
A world where education changes lives

OUR VALUES

Love > Honor > Excellence > Imagination > Optimism

LETTER FROM THE HEAD OF SCHOOL >

Mark McKee > Head of School

Dear Viewpoint Community,

Like a strand of DNA, there is a thread that runs through the life of a school, connecting its identity back through the School's history to its origin and founding. Just as our students grow and change—so they are profoundly different and yet recognizably the same people at graduation as when they were in Kindergarten—so does our School preserve its essence, its values and culture, through its chapters of growth. What we preserve, and what we change, like the two roads diverging in the poet Robert Frost's woods, makes all the difference.

This school year we mark Viewpoint's Diamond Jubilee, the 60th anniversary of our founding in 1961. Earlier this year, I shared with our students how different the world was then, when a group of dedicated parents got together to create Viewpoint, wanting the best education to prepare their children for an uncertain future. One simple measure: in 1961, the average human life expectancy was 51 years worldwide (and 73 years in developed countries). Today, it is 70 years worldwide, and 79 in developed countries. In the sixty years since Viewpoint's founding, we have added almost 20 years to the average human lifespan—and at the same time we have miraculously narrowed the gap between the developed world and the rest by over a dozen years. In the face of so many challenges today, this is a simple marker of progress, representing years of life, of contribution and time with loved ones.

Viewpoint's progress in these 60 years has also been nothing short of miraculous, as the School persisted through early struggles, finding a permanent home in Calabasas, extending our education through twelfth grade, acquiring the school next door to more than double in size and impact, continually innovating and improving the education we provide our students. These pages capture some of the stories of these six decades of contribution to the community, tracing the threads of our School's values from 1961 to the present day, setting the stage for our next chapter.

So much has changed since our founding, and Viewpoint reflects more diversity and more depth, offering unrivaled educational opportunities that prepare today's students to be "world ready." Today, our Viewpoint's focus on each individual student supports each student in finding their unique viewpoint. Yet there is a thread connecting back to our founding—not only in our commitment to excellence, but to all our values—the love in our community and our love of learning, our devotion to honor and character, our imagination for the future and our can-do optimism, that grounds our education in the value of service. Just as our founders believed education was essential to inoculate students against uncertainty, so today we create, in the words of our mission, "exceptional readiness for extraordinary futures."

This Annual Report also commemorates an exceptional year in school history, a year when the challenges of a global pandemic shook our community and our School, moving our education into the virtual world of remote education for most of our students, most of the year. Distanced in our homes, we worked to stay connected to education and to one another, learning to cherish learning and community like never before. I will never forget the profound joy of that day in late March when we were finally able to return students in all grades to in-person learning. And just as I am grateful for the way our School stands on the shoulders of the past sixty years of heroic effort, I am humbled by the dedication, ingenuity, and hard work of our teachers, staff, and leaders who created school each week through the many changes of the year, adapting to constantly shifting conditions and public guidance. Our values, our people, and our excellence shone through.

In the unity of our Viewpoint community, we found strength. Our unified efforts—of Board of Trustees and leadership, of faculty and staff, of students and families—provided a solid basis for endurance and growth. As a result, we emerge from pandemic stronger than before. In the last year, we embraced a refreshed Mission, Vision, and Values that reflects our values and culture and challenges us into the future. We adopted a new daily schedule, embraced a critical focus on wellness, and reflected anew on all our programs to project what we learned from these challenges into the future. Our community rallied to hold together and to maintain the generous support for our School and for fellow families in need. And we created a new board task force on diversity and inclusion, working to ensure our School reflects the sense of belonging that is a human need and that we seek for each student and family.

Sixty years since our founding, we can take pride in how far we have come—and we can take courage in facing the future ahead. There is a boldness in Viewpoint's vision, in the optimistic creation of a School that stands out for our values, commitments, and our people. Throughout our history you see our essential difference in its impact on our students. I hope that like me, as you see the threads of our history, you take inspiration from our past to envision and create our future.

Fide et amore,

Mark J. McKee
Head of School

“

Here's to the Dreamers of the Extraordinary—past and future! Many years ago, my parents took a gamble for their daughter on a tiny, untried, scrappy school, sensing that, from little acorns, mighty oaks could grow. What an honor to witness 60 years of achievement, and to serve as just the third admission director in Viewpoint's history, following trailblazers Mary Carpenter and Kris Dworkoski. Happy Birthday Viewpoint, from your proudest alumna!”

BRIDGING LEGACY AND DESTINY

“

I was a student at Viewpoint in the 1980s, and what has always stood out to me is the kindness — of the parents, the teachers, everyone. Viewpoint was collaborative and peaceful and civil, and everybody was there for the same purpose — to learn. It felt great and that stuck with me. When it was time for our son Jack to go to Kindergarten that same feeling of kindness and caring about him as an individual was still there. Everybody learns differently, everybody gathers information differently, and I think Viewpoint gets that and they address that differently too.

I joined the Board because our kids are very important to us and the School needs support. It's not a business, and it doesn't run for profit. Most of the money goes to fund the programs and the teachers, and we want to make sure that it is a place that attracts top-level teaching and administrative talent, and stays strong and robust — a thought-leading institution. To be a world-class school requires additional support, tuition alone doesn't get it done.”

We felt confident when sending our children to Viewpoint that they would be surrounded by teachers and other families who all wanted them to have the best education possible, in a supportive environment that also emphasized morals and values. Our desire for our children was not just the opportunity for an excellent education, but to become truly good and decent people. That's clearly been the case. It has been wonderful to watch them grow. But also, it's been just as much fun to look at all of their friends and the students and families at Viewpoint and see how much they are accomplishing. I really appreciate that because of the size of the school my kids didn't get pigeonholed into doing just one thing. I went to a massive public high school with 3,000 students, my high school quarterback was John Elway, and I was the AP student in marching band. I was never going to play football. My children all played sports, took AP classes, played musical instruments, participated in theater, were on the robotics team, developed artistic talents, and competed in state science fairs on top of that. They were all able to pursue anything they wanted inside and outside of the classroom. I am grateful we were able to give them such broad opportunities.”

LETTER FROM THE BOARD CHAIR >

David ZeBrack > Chair, Board of Trustees

In 2020-21, the Viewpoint community demonstrated strength and resilience amid a global pandemic. It was an unprecedented year for our community as the effects of the COVID-19 pandemic, societal, and political change evolved and had an impact on our daily lives on multiple levels. Although the uncertainty which gripped the world was palpable, the Viewpoint community adapted and worked tirelessly to overcome every challenge that surfaced.

As we recap the year, I would like to express my gratitude to our leader, Mark McKee, his administrative team, the faculty, parents, and students for your competitive greatness, confidence, loyalty, and skill in working through a year of unprecedented challenges. For much of the year, we may not have been in the same room, but no one was ever alone!

A School Year Like No Other

- > Our school year began with remote learning in place and our highly experienced faculty of educators creatively and confidently delivered the education that our children needed. In concert with our COVID-19 Task Force, Viewpoint navigated the maze of bringing our children back to in-person learning. Spring brought such a happening, and our children were together once more. I would like to celebrate our fabulous teaching staff for their skillful transition to and from the various modalities of teaching without any compromise in education. There is no substitute for a classroom dynamic, and Viewpoint School is a place where education changes lives.
- > The Board of Trustees confidently leaned in and unanimously approved a refreshed Mission, Vision, and Values which was 18 months in the making. This declaration further defines who we are and puts an exclamation on where we stand. This vital statement serves as a “North Star” to current and future community members, providing steady guidance in an uncertain world. The ideals of creating “exceptional readiness for extraordinary futures by cultivating the critical skillset, courageous mindset, and resilient identity of EACH individual Viewpoint student” resonates with the Board of Trustees, in a school where tradition connects us and innovation propels us.
- > If the purpose of having discourse is to actually have that discourse, Viewpoint’s continued commitment to the conversations that surround diversity, equity, and inclusion (DEI) is unwavering and begins with the administration and Board of Trustees. This conversation moved to the forefront

of both societal and educational culture at every school in America, including Viewpoint. Our Board of Trustees is taking leadership in this area to ensure belonging for all members of our community. We have established a task force to both educate ourselves and set goals for addressing the needs of DEI. Viewpoint’s focus on these concepts can make a difference in our children’s lives, helping them to become world ready and able to have that discourse in their own voices. We are especially proud of having a community where families value unity in diversity. Mark and our administration are dedicated to this for our children.

It is a great source of satisfaction and pride for me to serve with this Board of Trustees and Head of School who dedicate untold hours of service to this institution. I would like to thank our Board Vice-Chair, Jill Schecter, for her resourcefulness, patience, and friendship. The heavy lifting of the past year could have only been done with her as my partner.

Even during the current weather system in the world, we annually say goodbye to departing board members who have completed their term of service, and we greet new members whose dynamic and varied areas of expertise are critical to a high-functioning Board such as ours. They are selected, among other reasons, for their ability to “see over the horizon” in various ways. This year, Mark joins me as we say goodbye to outgoing trustees Howard Tenenbaum, John Nelson, Brian Glicklich, Lindsey Spindle, and Dick Robertson. Thank you for your leadership, continuing friendship, and steadfast commitment to Viewpoint School and our children. We also greet a class of incoming trustees whose outstanding abilities will help shepherd the Board and this community going forward. They are Judy Gawlik Brown, Myra Chen, and Ron Gillyard.

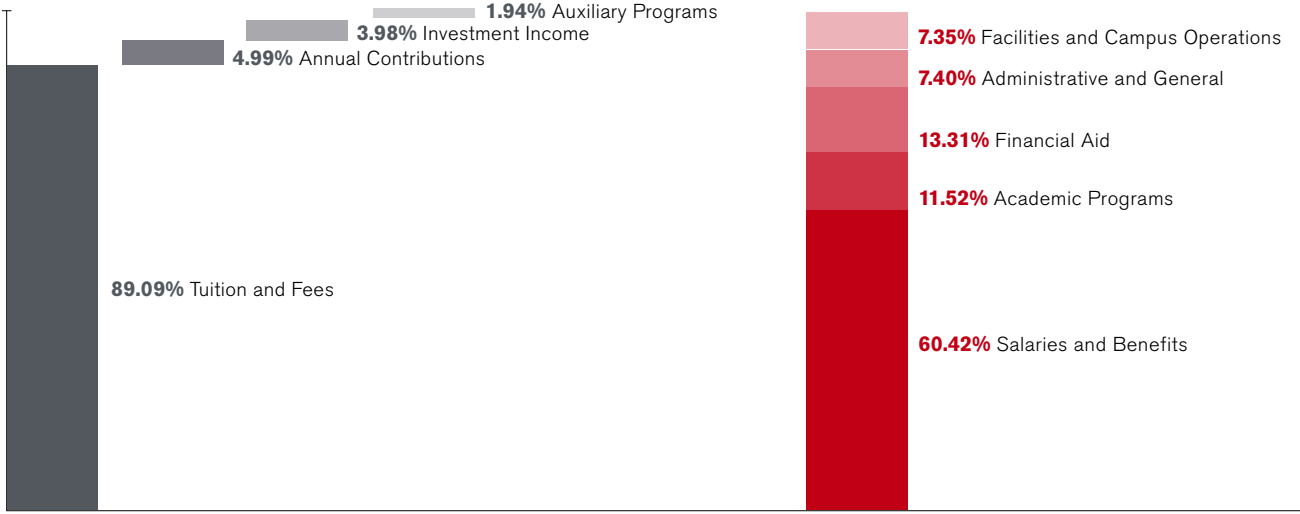

Lastly, thank you to our community for your support and dedication to our children—the most important people in our lives—your partnership, ambition, and goodwill in our continuing effort to provide the finest educational experience in our children’s lifelong journey.

Sincerely,

David ZeBrack

John Nadolenco > Chair, Finance Committee

From a financial perspective, Viewpoint met the financial pressures created by the pandemic with careful planning and conservative management. Our Board carefully charted our course through these unprecedented times, guided by our values and beliefs. We made several important financial decisions that helped us weather the storm:

- > We elected to hold tuition for the 2021-22 school year to the same amounts originally announced for 2020-21.
- > We carefully controlled our expenses as we returned to in-person learning, including postponing offering salary increases to our faculty and staff until we assured ourselves it was financially viable.
- > We carefully and strategically allocated the CARES Act Payroll Protected Program funds we received.

These and other financial-management steps not only helped us avoid many more drastic steps, but they also put us in a strong financial position as we begin to emerge from the pandemic.

This year, we look forward to building on that strong foundation by focusing on our School’s two key economic drivers: enrollment and fundraising. Enrollment drives our tuition revenue and fundraising makes up the delta between tuition revenue and what it costs to run the School. Our Board has always been committed to ensuring that our children have the opportunity to find their passion by supporting the dozens of amazing programs Viewpoint offers. Though the last couple of years have proven more challenging than most, our commitment to that goal has never wavered and we hope to emerge from the pandemic stronger than we went in.

Sincerely,

John Nadolenco
Chair, Finance Committee

LETTER FROM THE ASSISTANT HEAD OF SCHOOL >

Maureen M. Nash > Assistant Head of School for External Affairs

As we reflect on the last school year and six decades of history and achievement at Viewpoint School, we are bridging legacy and destiny.

Last spring, I joined Viewpoint School as the Assistant Head of School for External Affairs. This timing coincided with bringing children back to in-person learning and with a need for a sense of community and traditions that was stronger than ever. I quickly began getting out among our families, meeting parents, trustees, grandparents, students, and alumni, and immediately realized that the core to our vision is the commitment to a school where tradition connects us and innovation propels us.

On behalf of our Advancement Chair, Halé Behzadi, and my colleague, Amy Maentz, Interim Assistant Head for Advancement, I am proud to share that we reached our FY21 Viewpoint Fund goal and raised \$2.1 million from 1,071 individuals and also launched new initiatives including the Class of 2021 Fund and Gratitude Challenge. In addition, more than 60 families also donated their time and served as Viewpoint Fund and Benefit volunteers.

Now, with an eye on our world-ready promise, we are reimagining philanthropy at Viewpoint. Mark McKee has prioritized creating a growth-oriented faculty culture that led to the creation of a teacher-driven growth model, robust support for professional development, and upgrades to the technology infrastructure — all in the service of supporting teachers and enhancing the student experience. When there is stellar leadership and momentum, fundraising — especially from Viewpoint parents who value innovation and impact — is straightforward. For the first time in our School's history, we're providing an opportunity for designated giving to the Viewpoint Fund to bolster the arts, athletics, financial aid, faculty professional development, and STEM programs. Early response to designated giving has been overwhelmingly positive as members of our community want to honor the part of the Viewpoint experience that is most meaningful to them.

When parents, grandparents, alumni, and parents of alumni give, they provide the margin of excellence that allows Viewpoint to create exceptional readiness for extraordinary futures. It's important for our community to understand that tuition and fees cover less than 90% of the cost of a student's education at Viewpoint School. To bridge this gap, our operating budget depends on philanthropy by generous alumni, staff, parents, grandparents, friends, and trustees. We're proud to report that 100% of our staff and Board of Trustees have once again participated in the FY21 Viewpoint Fund and have already committed to the FY22 Viewpoint Fund.

We hope you can join us at our 60th Anniversary Diamond Jubilee on Saturday, May 7, 2022 at The Ronald Reagan Presidential Library. Proceeds from the Benefit will fund Viewpoint's 60th Anniversary Wellness Campaign including the renovation of the Peak Performance Center.

We pride ourselves on a strong tradition of participation and philanthropy, and thank you for your support and vote of confidence in a Viewpoint education.

Happy Anniversary, Viewpoint.

Sincerely,
Maureen M. Nash

NEW TRUSTEES >

Myra Chen > Trustee P '27,'29

Myra Chen was raised in Beijing, China, and came to U.S. to earn her master's degree in Computer Science from the University of Cincinnati. She also has an MBA degree from Tuck at Dartmouth. Myra has spent her career within the financial services industry. She's held different positions at Fidelity Investments, Liberty Mutual Insurance, and John Hancock Financial in Boston before joining Capital Group in Los Angeles, which brought her to Southern California. Currently, Myra is the Head of Sales Marketing and Digital Analytics at Capital Group.

When asked why she decided to join the Board, Myra said, "I feel honored to join Viewpoint's Board. Education is very dear to my heart, and I want to contribute to this community that I care about deeply. The Board makes a lot of strategic decisions for the future growth of the School. I hope that I can contribute to the sustainable growth, and also continue to elevate Viewpoint as one of the top schools in California."

Judy Gawlik Brown > Trustee P '22,'26

Judy Gawlik Brown is Senior Vice President, Corporate Affairs at Amgen, responsible for communications, corporate reputation, philanthropy, advocacy, and ESG. She is also a Board Director of Belden, serving on the Audit Committee and chairing the Finance Committee. Previously, she was the CFO of Perrigo Company plc for 11 years; held finance, marketing and product development roles at Whirlpool Corporation in Italy and Michigan; and she worked in the attestation and advisory practices of Ernst and Young in Germany and Chicago. Judy is a CPA and has a BS in Accountancy from the University of Illinois at Urbana-Champaign and an MBA from the University of Chicago.

When asked why she joined the Board, Judy explained, "Clearly I have a vested interest in helping my children's school thrive. I hope to add value by continuing to advance Viewpoint's governance just as I have done at Belden for nearly 14 years, and I believe that asking challenging questions from both a strategic and financial perspective may be helpful in continuing our legacy of success."

Ron Gillyard > Trustee P '19,'19,'24

Ron Gillyard is a Partner and Chief Growth Officer at Quantasy, an award-winning full-service digital media agency, specializing in social media content for clients in the tech, automotive, entertainment, not-for-profit, and financial sectors. Ron has a degree in Finance from Howard University, and began his career in the music business at Columbia Records, rising to the top ranks of the business to work with music-industry moguls including Clive Davis, Jimmy Iovine, and Sean "Diddy" Combs, and such artists as Stevie Wonder, Bebe & Cece, Alicia Keys, Mary J Blige, Snoop, Eminem, and so many others.

When asked why he said "yes" when he was asked to join the Board, Ron said, "I'm super passionate about diversity, and I'm super passionate about education. Education for me was a tool that showed me that the world was much bigger than the one I was occupying at that time. I want to help the School succeed, and really find ways to give the School the tools that they need to present to the world better citizens, better college citizens, better corporate citizens, or whatever comes next for our students."

“

I came onto the Board in 1999 and joined the Buildings and Grounds Committee. Everybody wanted a theater because the School didn't really have anything like that. The hardest facilities to acquire or build for a high school are always for athletics and the arts, and you can't really be a serious high school without a gym, a field, and a theater.”

“

The theater is named for my mom and dad. For me and my brother to have them at the dedication and name it for them was very special. My dad was always one for theater. We had an arena on Long Island, Garden Island Arena, which held 4,000 or 5,000 people, and we ran circuses for much of my life, and so many other kinds of events happened there. When he was getting older, my dad talked about building a theater on Mission Road in Los Angeles. It's an industrial area, but he always loved it. For him to have a theater with his name on it at Viewpoint, meant a lot to us. It puts such a smile on our faces to go to events there and to see it, and it still looks beautiful. For all the time and effort it took to get it going, knowing that it's there, that the School needed it, and it is being used, makes us very happy.”

HEAD OF SCHOOL CIRCLE **GIVING** >

Under the leadership of the Head of School, Mark McKee, Head of School (HOS) Circle donors have an opportunity to experience behind-the-scenes tours, small events in private residences, and bespoke events with Viewpoint faculty. This is a select group of Viewpoint families who share an appreciation of the HOS' vision and a commitment to Viewpoint School. In addition, HOS Circle members have the unique honor of being named inaugural founding members in the School's 60th anniversary year.

Head of School Circle members contribute \$25,000, \$60,000, or \$100,000 annually to the Viewpoint Fund and are the School's most generous donor group. Annual gifts support an array of important projects at Viewpoint, including faculty professional development, arts, athletics, academic programs, wellness initiatives, and financial aid.

WHY I GIVE | TO THE HOS CIRCLE

Michelle Bradway > P '28, '28

Nothing is ours anymore — everything we have and work for is for our children. Give generously to their education; it is the key they can use to help change the world.

Howard Keyes > P '21

My daughter Hannah '21 had a great experience at Viewpoint, and supporting the Head of School Circle was the right decision for me and for Hannah. I hope others will join me in giving.

WHY I GIVE TO THE VIEWPOINT FUND

Mona Smart > P'33

We chose Viewpoint because every other school we visited paled in comparison and we were drawn to the warmth of the community. We give because as members of the Viewpoint community it is expected that we will all contribute to the Viewpoint Fund, and we know that every gift is important to our children's experience at the School, and the funds are being well spent. I also volunteer my time as a room parent and that is part of my giving. I would say to anyone who is questioning the significance of making a smaller gift, that every little bit counts — whatever that amount means to you is worth giving. Also, there are many non-monetary ways to contribute. The gift of time is also vital to the School, and the more involved you are, the more fun it is.

BRIDGING LEGACY AND DESTINY

“

Jay Balaban P’14 and I both feel very strongly about the role that athletics plays for kids in high school. Obviously, they teach an enormous number of lessons that carry forward in life and build character in a way that few other things do. In athletics you are doomed to fail at something, and Jay and I both feel that the ability to learn how to fail, to lose some games, to pick yourself up and try again, and to persevere and see how that generates success in the future, is of critical importance. The ability to do it as part of a team, in particular, teaches and embeds in them a sense of collective belonging and a sense of being part of something and working for the greater good.”

Athletics >

1966 > THE POOL COMPLETED FOR PHYSICAL EDUCATION.

1966 >
Swimming is the first competition sport at Viewpoint. The School enjoys its first-ever sporting event home victory in a swim meet against Clairbourn School of San Gabriel.

Horses on campus! In the early years on the Calabasas site, Viewpoint boarded horses in a barn on campus and had its own riding ring on campus. Horseback riding was part of the P.E. program.

1969 >
Viewpoint enters organized competition in two more sports: flag football for boys and volleyball for girls.

1970 >
The Cooper Award is established by The Cooper family to honor sons Mark, Keith, and Paul Cooper.

1979 >
Viewpoint joins California Interscholastic Federation (CIF).

1986 >
Patriot Boys’ Volleyball Team named the inaugural winners of the CIF Southern Section Academic Team Champions.

1987 >
Viewpoint now competes in nine sports, and ninety percent of Upper Schoolers are members of at least one interscholastic team in swimming, baseball, softball, basketball, soccer, tennis, volleyball, equestrian, and cheerleading.

1989 >
The Rasmussen Family Pavilion is enclosed with walls and retractable doors, enabling Viewpoint to play many more home games.

1990 >
Patrick Moyal starts at Viewpoint as Head Varsity Basketball Coach and Athletic Director. He is now in his 32nd year as Athletic Director.

1992 >
7,000 square feet of hardwood flooring added to the Rasmussen Family Pavilion.

1997 >
The Upper School athletic teams enter the Liberty League.

1999 >
The Varsity Baseball Team wins the School’s first CIF Academic Team Championship.

2003 >
BOYS VARSITY TENNIS TEAM WINS
THE SCHOOL’S FIRST TEAM

CIF CHAMPIONSHIP

2007 >
The Boys Varsity Tennis Team wins its fourth consecutive CIF Championship.

Viewpoint wins the Commissioner’s Cup for Best Overall Boys Athletic Program in Southern Section CIF.

The Ring Family Field opens in March. As a result, teams can practice and play CIF football and soccer home games on campus.

The Girls Varsity Tennis Team wins its first CIF team Championship.

2019 >
BOYS VARSITY CROSS COUNTRY TEAM
WINS DIVISION 5
**STATE
CHAMPIONSHIP**

2008 >
Three spring teams win CIF titles: Boys Varsity Volleyball, Varsity Baseball, and Varsity Softball.

The Boys Varsity Volleyball Team wins its fourth consecutive CIF Championship.

2011 >
The Paul Family Athletic Center, Dworkoski Family Hall, and Competition Pool open, transforming both the academic and athletic experience for our Upper School students.

2014 >
The Balaban-Webster Athletic Center opens.

“

I also believe that athletics have such a unique power to create a vibrancy, a buzz, a positive energy, and a culture around campus. Building the Team Center was very special to me, and Jay knew that and was excited to help make it happen. We were blessed to have total partnership and support from then-Head of School Bob Dworkoski. We love Viewpoint, and that was what was behind our desire to try to help in any way we could, and give them facilities and support that would allow the School to attract families who value Viewpoint's ability to blend academic rigor with athletic competition.”

2019 Primary and Lower School Holiday Program

“ I think what makes Viewpoint so unusual is not only the peaceful setting surrounded by nature, but also the way the School community embraced us. When I was a student at Viewpoint, the classes were obviously very small, and the standards of academic excellence and high moral character were strongly encouraged. When I returned to campus as a parent, I was so pleased to find that these principles remained intact. How fortunate we were to find a school where each student can find their personal best and are encouraged to help others find theirs.”

VSSA is Viewpoint's parent volunteer service organization, which works to strengthen parent participation at our School through programs that enrich the social, cultural and strong sense of community at Viewpoint. We create, organize, and support a variety of different events and programs with the goals of helping to provide the best possible experience for our students, appreciating Viewpoint's faculty, and staff and fostering community-building among our parent body. We are so excited to be focusing this year on our theme of connection by providing many opportunities for our parents to engage, socialize, volunteer, learn, and give back. From attending events like the VSSA Beach Parties and Back-to-School Coffee, to donating food or delivering coffee to faculty and staff during our Employee Appreciation Breakfasts, serving Hot Lunch to students or volunteering to help with Homecoming, our VSSA activities have varying levels of time commitments to accommodate everyone's schedules. All Viewpoint parents are members of the VSSA and we encourage everyone to volunteer!

— LISA STONE P '22, '26, VSSA CO-PRESIDENT FOR MIDDLE AND UPPER SCHOOLS
& TERESA HAMES P '29, VSSA CO-PRESIDENT FOR PRIMARY AND LOWER SCHOOLS

VSSA's Parent Partnership for Diversity and Inclusion (PPDI) welcomes all parents to participate in our multicultural activities throughout the year and to connect with one another through our affinity groups. Please join us at our next event — all are welcome!

— CACHI BAIER P '18, '23, KELLI KIRKLAND P '27 & ANNE RUBIN P '23, '26, PPDI CO-CHAIRS

VSSA's Parent Education offers unique opportunities for learning and connection through shared parent topics and important issues that affect our children. With our dedicated parent volunteers, Parent Education curates a series of speakers and interactive events to address parent concerns and provide expert insights.

BRIDGING LEGACY AND DESTINY

“

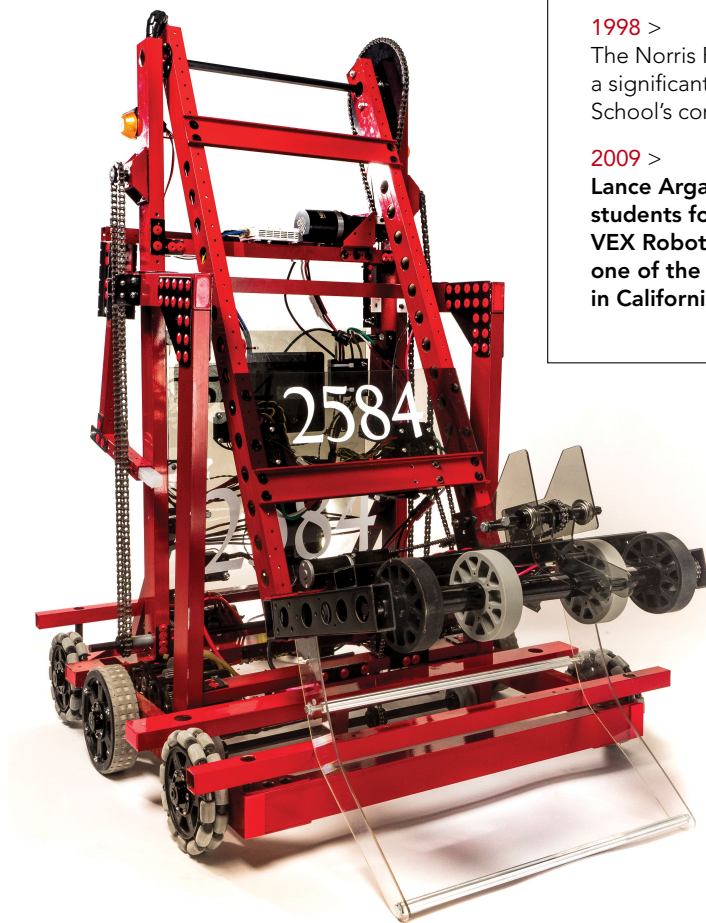

This is my twelfth year on the Board, and in my experience at Viewpoint, innovation is constant. It has to be, and we definitely can't rest on our laurels. It is like the old Darwinian evolutionary theory: 'survival of the fittest.' You have to innovate to stay relevant and to stay one step ahead — not only when it comes to access to technology, but innovation in teaching methods and philosophy, and prioritizing wellness. We have to innovate in order to make sure our students are world-ready and future-ready and are lifelong learners.”

“In my role at Citi, I hire people. Who do I look to hire? I look for people who can accept changes to innovate and adapt, because change is the only thing that’s ever constant. So, it’s not only about what they learn, it’s about how they learn. Of course, what they learn is important, but how they learn is, I think, much more important. And the teachers at Viewpoint give them tools to adapt to every situation in life when they go to college, when they come out of college and start a career. The drive to adapt and to innovate, while holding on to the School’s fundamental values, is at the core of a Viewpoint education. I have seen this as a parent and as a trustee, and I believe it sets us apart.”

ENDOWMENT FUNDS >

Market Values > As of June 30, 2021

Endowment Funds are financial assets that generate income through the School's wise investment of the principal. The investment of all Endowment and Reserve Funds is managed by the CFO/Treasurer based on a Board of Trustees-approved Investment Policy Statement and under the oversight of the Board's Finance Committee. Portions of Endowment income may help to fund the operating budget or be directed toward donor-designated purposes. The Endowment also serves as a permanent savings account and helps to ensure Viewpoint's financial strength and stability. Donors may make contributions to existing funds, or establish new funds with a major gift. Endowment funds are frequently established to honor or memorialize someone of significance to the School. We are especially grateful that these donors chose to support the Endowment because they are helping to ensure a sound financial foundation for Viewpoint School's future.

NAMED FUNDS

The Anderson-Cheatham Family Endowment for Music*

\$76,003

Dr. Robert and Mrs. Jane Cheatham established The Anderson-Cheatham Family Endowment for Music in loving honor of Mrs. Cheatham's mother, who fostered a love of music. Investment income of the Endowment annually supports students in the music program.

Behrens Endowment Fund*

\$2,912,406

Established in 1969 with a bequest by **Miss Lottie Behrens**, a friend of the School, this endowment supports the general operating budget.

The Carlson Family Financial Aid Endowment*

\$796,090

Established in 2012 by **Mr. Steve and Mrs. Leslie Carlson**, this endowment will provide annual tuition assistance for an academically qualified student in the Upper School (Grades Nine - Twelve) from a low-income family who otherwise would not be able to attend Viewpoint.

2020-21 Donors
Mrs. Laurel Baker Tew '78 & Mr. Chad Tew

The Barbara Exum Endowment for the Visual Arts*

\$53,004

The Barbara Exum Endowment for the Visual Arts was established by her family in loving memory of **Mrs. Barbara Exum**, former Chair of the Art Department and Teacher of Art. The Endowment's annual investment income funds the School's Artist-in-Residence Program and purchases art books for the libraries in honor of each division's most outstanding artist.

Members' Faculty Development Endowment*

\$72,960

The Members' Faculty Development Endowment is governed by a specific document of the donor. The corpus of the Endowment remains untouched. The annual investment income is used for faculty professional development.

Endowment for Financial Aid*

\$920,807

The Board of Trustees established the Endowment for Financial Aid in 2012 with the purpose of directing its annual investment income to the operating budget to support Viewpoint's financial aid

program. The School's long-term goal is to substantively enlarge this Endowment, as well as Viewpoint's resources for financial aid, thus ensuring that the School can attract and enroll qualified applicants from a wide range of backgrounds, thereby broadening the socioeconomic diversity of our School.

Edward E. Ford Endowment*

\$122,910

The Edward E. Ford Endowment is governed by a specific document of the donor. The corpus of the Endowment must remain untouched. The annual investment income in any given year is used for faculty professional development of the Upper School's teachers.

General Endowment Fund*

\$11,130,120

The General Endowment Fund is not governed by a specific document. The Board of Trustees may use the Fund at its discretion. Annual investment income is directed to support the operating budget.

2020-21 Donors
The Boeing Company

Zaki Gordon '94 Alumni Endowment Fund*

\$71,765

The Zaki Gordon '94 Alumni Endowment Fund was founded by **Ms. Jo-Ann Gordon and Mr. Dan Gordon** in memory of **Zaki Gordon '94**, and is governed by a document approved in March of 1994 by the Board of Trustees. The Head of School makes a recommendation and the Finance Committee directs the allocation of the Endowment's annual investment income for the purposes of "providing items not normally included in the operating budget" to "benefit the Arts and Science Programs."

2020-21 Donors
Ms. Jo-Ann Gordon

The Joseph and Elizabeth Handley Endowment for American Historical Studies

\$5,083,726

The Joseph and Elizabeth Handley Endowment for American Historical Studies was established in 2004 with a bequest from **Mrs. Elizabeth Handley**, a long-time friend of the School and is governed by a specific document. The annual investment income of the Endowment supports the Voyage of Discovery trip to Williamsburg, Virginia

and Washington D.C.; materials, buildings, books, and technology for educational programs specifically focused on American history; and a partial scholarship each year for a promising student based on achievement and interest in the field of American history. In 2018, the School approved the establishment of **The Handley Chair for American Studies** to honor a Viewpoint teacher who promotes intellectual inquiry and love of learning in the history, literature, and culture of the United States. The Handley Chair holder may be a teacher of any discipline or grade level, whose impact clearly promotes students' understanding of our nation's values and tradition and application of their learning.

Conrad N. Hilton Foundation Endowed Scholarship Fund*

\$1,146,655

Established in 2010 by the **Conrad N. Hilton Foundation**, this endowment will provide annual tuition at Viewpoint School for an academically deserving student in the Upper School (Grades Nine-Twelve) from a low-income family who otherwise would not be able to send their son or daughter to our School.

La Oportunidad Fund*

\$121,623

Mr. Miguel E. Lessing and Ms. Susan Hurwitz established an endowment fund to provide financial assistance to deserving Latino students who wish to attend Viewpoint, but who are financially unable to do so. It is the donors' wish that the Endowment created by their gift be known as La Oportunidad Fund. This Endowment is governed by a specific document. The Endowment's investment income annually helps to fund the tuition of an excellent Latino student from a low-income family attending Viewpoint School. It is the donors' hope that, in addition to enhancing Viewpoint's ability to assist Latino students, the Endowment will inspire others to support this worthwhile goal and to contribute to this Endowment as well.

2020-21 Donors

George Rodrigue Foundation of the Arts, Inc.
Mr. Andres Lessing '97 & Dr. Lindsay Rosenfeld
Mrs. Jessica Lessing O'Leary '03 & Mr. Jim O'Leary
Mr. Juan Lessing '00
Mr. Antonio & Mrs. Mary Rodriguez

The Dr. William Turner Levy Endowment

\$157,304

Established in 2017 by trustee **Mr. Seth Casden '91**, the endowment honors the late Provost and longtime beloved teacher, **Dr. William Levy Turner**, who in his 29 years at Viewpoint, inspired generations of Viewpoint students to a lifetime love of learning. The Dr. William Turner Levy Endowment will provide support for two strategic enhancements to our faculty and program. **The Dr. William Turner Levy Faculty Chair**, Viewpoint's first endowed

teaching chair, recognizes a faculty member every two years for their exemplary work with students that, like Dr. Levy, inspired them to never stop learning.

In addition, **The Dr. William Turner Levy Experiential Journey** recognizes and supports Dr. Levy's belief in the value of living experientially. Alumni he taught all remember fondly his recommendation to go out into the world and experience life. In addition to the stipend that accompanies the honorary endowed teaching chair, the proceeds from the endowment will provide resources for the Dr. Levy Chair holder to provide his or her students with a memorable educational experience that would not otherwise be possible.

2020-21 Donors

Mrs. Cathy & Mr. Neil Adelman
Mrs. Claudia Antoine
Mr. Seth Casden '91
Mrs. Laurel Baker Tew '78 & Mr. Chad Tew

Liu Family Endowment Fund for Robotics

\$159,065

Established in 2015 by **Mr. Xiaoyong Liu and Mrs. Yunhe Li**, this Endowment will provide funds to support Viewpoint's Robotics Program.

The Sharon Lovett Endowment for Music Education*

\$261,600

Ms. Sharon Lovett, a former Chair of the Music Department, choral conductor, and music teacher (1986-91, 2000-03) was dedicated to inspiring her students with an appreciation and a love for music. She embodied the many personal qualities that Viewpoint wishes to instill in its students, and her spirit enriched our lives. As a tribute to Sharon, her parents, **Dr. Robert and**

Mrs. Glenna Lovett, along with Sharon's family and friends, established The Sharon Lovett Endowment for Music Education to support students who qualify for financial aid and wish to further their musical instruction. The Endowment is governed by a specific document of the donors. The investment income from the Endowment is awarded annually at the discretion of the Financial Aid Committee to assist students with rentals of instruments and other special costs associated with participating in the music program at Viewpoint School. Disbursements may fund instrumental music students at all grade levels and vocal or choral students in the Middle and Upper Schools.

2020-21 Donors

Mrs. Cathy & Mr. Neil Adelman
Mrs. Claudia Antoine

The Meryl Staley '06 Endowment for the Theater Arts

\$203,044

Meryl Staley '06 had a passion for the theater arts and participated in The Conservatory of Dance and The Conservatory of Theater at Viewpoint School. In memory of Meryl, her parents **Mr. Kevin and Mrs. Jayne Staley**, along with Meryl's family and friends, established The Meryl Staley '06 Endowment for the Theater Arts. This endowment funds an award presented annually to the sophomore or junior in the Upper School who, through his or her quiet determination, selfless spirit, and commitment to excellence, inspires teamwork and morale in the practice and performance of the theater arts. The Endowment is governed by a specific document of the donors, and the annual investment income supports a stipend for the winner of the Award for the cost of off-campus enrichment.

Mrs. Claudia Antoine
Mr. Kevin & Mrs. Jayne Staley
Mrs. Laurel Baker Tew '78 & Mr. Chad Tew

The Toye/Banzhaf Family Endowment Fund for Film Education*

\$52,942

Established by **Mrs. Sigrid Toye**, a trustee emerita and former Viewpoint parent, the annual investment income of the Endowment fund supports film students of the Middle and Upper Schools (Grades Six through Twelve).

2020-21 Donors

Mrs. Laurel Baker Tew '78 & Mr. Chad Tew

Viewpoint Excellence in Teaching Endowment*

\$304,288

The Board of Trustees established the Viewpoint Excellence in Teaching Endowment with the purpose of directing its annual distribution to award prizes on an annual basis to two members of the Viewpoint faculty for their excellence in teaching. The School's long-term goal is to grow this endowment in order to increase the number of prizes and/or to establish more endowed chairs.

*Note on Endowment Earnings and Distribution

The Board of Trustees maintains a comprehensive Endowment Spending Policy based on the advice of the Finance Committee and its Investment Subcommittee. The goal of the policy is to provide predictable, regular disbursement of annual interest earnings and to moderate the cyclical nature of actual market performance. Currently the Board has a standing spending rate of up to 4% of the previous 12 quarters rolling average in each endowment account. In years where earnings exceed 4%, the excess earnings shall remain in the fund to support distributions in years of low or negative earnings and to grow the balance of the fund to maintain purchasing power against inflation.

Viewpoint Patriot Scholar-Athlete Endowment*

\$378,966

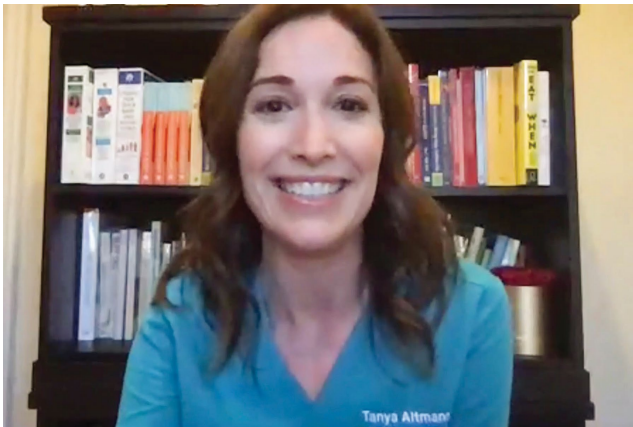

Established in 2013 by **Mr. Keith and Mrs. Nanette Leonard**, this endowment will provide annual tuition assistance at the School for an academically qualified scholar-athlete in the Upper School (Grades Nine-Twelve), who has demonstrated a genuine curiosity for learning. Furthermore, this student will exemplify sound character, have proven financial need, and show a commitment to athletics.

The Woelfl Family Endowment*

\$58,098

Mr. Rudy Woelfl, a trustee emeritus and former Viewpoint parent, and the Woelfl family established this Endowment in 2002 with the purpose of instilling in Viewpoint's students a curiosity and understanding of the biological (life) and physical sciences. The Endowment's annual investment income funds the purchase of science equipment for the Primary and Lower Schools' science classrooms.

ZOOM CALLS WITH THE DOCTORS

The first “Zoom Call with the Doctors,” Will Go, MD, PhD and Tanya Altmann, MD, FAAP, was on the evening of March 13, 2020. It was the start of the pandemic and everyone had so many questions and so little understanding of this new virus starting to spread across the world. Two years later, Viewpoint trustee Dr. Go, Senior Vice President of Development at Biotherapeutics, Inc. and parent to Aiden Wong Go '27 and Alyssa Wong Go '29, and Calabasas pediatrician Dr. Altmann, parent to Avrick '24, Collen '26, and Maxton '33, continue to offer their expertise to our community on all pandemic-related topics. We are grateful for their wisdom and their ongoing dedication to keeping our students and families safe and informed.

BRIDGING LEGACY AND DESTINY

“

When I first joined the Board, they were 100% focused on cementing the School's future with a new master plan and a campus for the long term. It took many years to do this, because after acquiring Meadow Oaks we had to obtain extensive approvals from the City of Calabassas, which didn't come easily. Once we had the approvals there was a big push to start construction of the 1st Phase. A capital campaign ensued to raise the funds required. There was a great deal of expertise spread throughout the Board and that was amazing. The Board stepped up, they all wanted to contribute financially as well as provide expertise, which ensured the project's success. Keith Zimmet and others helped guide the Board through a bond offering that was necessary to complement the fundraising and achieve the capital structure necessary to get the buildings built. Charlotte and I were very pleased to contribute to the library and we felt really terrific about that. The budget was very tight and we didn't have adequate funds to complete everything we wanted, including the interior of the auditorium, so Steve and Leslie Carlson provided capital to build it out, including seats and interior finishes. Several other board members, including Dirk and Tina Gates, came up with funds that allowed the project to move forward. The Board pulled together for many years and kept the project steered in the right direction, which allowed us to achieve our goal.”

K-12 WELLNESS INITIATIVE >

The beating heart of our School is our students. We are committed to prioritizing our students' wellness needs to ensure they have the resources and support they need to thrive academically, emotionally, and socially while they're at Viewpoint and when they graduate. Our vision is to become a national thought leader in TK-12 student wellness and to inspire our independent school peers to also prioritize wellness education.

We are grateful to the Edward E. Ford Foundation for making this possible through their \$100,000 challenge grant, which inspired more than \$211,000 in matching gifts from 86 Viewpoint families. These gifts fund dedicated wellness staff, including our Director of TK-12 Student Wellness, Rebecca Heller, professional development for teachers, cutting edge research with national partners, and industry leading programs.

With the support of the Edward E. Ford Foundation and our community, we are now in the unique position to build upon our strong foundation of student-centered, social-emotional learning. We are implementing a comprehensive wellness program for students and employees, and imagining new directions in the areas of positive mental health, human development, mindfulness, ethics and character education, and mind-brain education.

As part of the 60th Anniversary Wellness Campaign, proceeds from the 60th Diamond Jubilee Benefit on May 7, 2022 will help fund the renovation of the **Peak Performance Center**.

The 1,700 square-foot Peak Performance Center will be located in the Paul Family Athletic Center. By redesigning and expanding the existing training center, this new space will allow for improved treatment and training facilities for our student athletes.

As we continue our commitment to create exceptional readiness for extraordinary futures, we focus on the whole child. By fostering a culture of wellness, we can increase students' academic performance, promote resilience, and ensure a feeling of belonging.

WHY I GIVE TO THE VIEWPOINT FUND

Anonymous >

Our family appreciates the investments Viewpoint makes beyond academic programming to foster emotional development to help our children become well-rounded citizens. We donate to help ensure the School has the resources needed to fund these programs.

Dr. Miguel Romero-Sanchez

“There’s a major social-emotional component when a student athlete gets injured. At Viewpoint, we’re trying to bridge the gap between the physical and social emotional wellness of student athletes.”

— DR. MIGUEL ROMERO-SANCHEZ, ATHLETIC TRAINER

2021 GLAMP OUT! BENEFIT >

Cash gifts received > July 1, 2020 - June 30, 2021

Viewpoint's community came together virtually on Saturday, May 8, for "Glamp Out!" – the School's 38th Annual Benefit. Hosted by Viewpoint parents, actor and comedian Ken Jeong, and tennis legend and sports commentator Pam Shriver, with entertainment by Viewpoint parent Robin Thicke, and special virtual guest performance by Adam Levine, it was an evening of laughter and great music, and a celebration of the School.

WHY I GIVE TO THE CLASS OF 2021 FUND

Howard Tenenbaum > Trustee Emeritus P '21

We are proud to be founding members of the Class of 2021 Fund. When our son Josh '21 graduated, Jodi and I wanted to make a meaningful gift to honor all that he and his class have achieved. It is our hope that this fund will continue to grow in the decades to come.

BRIDGING LEGACY AND DESTINY

“

Much has changed, but one of the things that impressed me most is the fact that Viewpoint has maintained many of its most cherished, earliest traditions. From the First Grade plays, *Little Fir Tree* and *Peter Rabbit*, to Great Pumpkin Day and the Holiday Program with the Giving of the Greens, the School has preserved all that, and as students grow older those traditions are meaningful. People move in and out, and it's the California-style. You tear a building down, you put another one up, nothing is permanent. What Viewpoint offers is a sense of tradition, there's a certain amount of grounded permanence at Viewpoint, and I think that is to be lauded.”

“

When I think about the way in which my three children were embraced by the School, and the relationships that they had from the beginning with their friends, but also the teachers and the staff, there was a Viewpoint village that poured into my children from five to eighteen. Even now that two of my daughters have graduated, the people at Viewpoint are still invested in Chase and Chandler's experience as 20-year-olds, in the colleges that they're attending, and the life experiences they're having. We talk about "the bubble" sometimes as a negative, but I think it has created a tremendous sense of confidence. It is very comforting, but it also gives them a sense of freedom to be able to explore new things. There's a balance and a foundation that they have cultivated through their years at Viewpoint, that they know is always there, versus feeling like you're leaping out in the world without that solid foundation."

Leave Your Legacy >

When you include Viewpoint in your estate plan, you ensure that the highest level of education is maintained in the years to come.

To celebrate the Viewpoint’s 60th Anniversary, the estate of Dean Rasmussen has made a generous commitment to help launch our first-ever Planned Giving Challenge. This challenge is a five-year campaign to inspire our supporters to maximize their impact when listing Viewpoint as a beneficiary in their wills or trusts, or of their retirement plans or financial accounts —securing funds for our most urgent needs, well into the future.

Beyond our tradition of academic distinction and college preparedness, Viewpoint systematically cultivates the critical skill set and courageous mindset that yield world-ready graduates. We see in them the leaders they are becoming, ready to serve and to fulfill a purpose beyond themselves. Our promise, this year and every year, is that each individual student is known, respected, and included, and that each community member finds a powerful experience of belonging. Our deeply felt Viewpoint culture generates optimism and resilience, force multipliers for world readiness and long-term success. By making a legacy gift, you can invest in the future of tomorrow’s Viewpoint students all while reserving tax benefits for your estate. A gift of any amount can make a lasting impact and support our mission to create exceptional readiness for extraordinary futures.

To join Viewpoint’s Planned Giving Society, simply inform us that you have:

- > Named Viewpoint School as a beneficiary in your will or living trust
- > Named Viewpoint School as a beneficiary of your retirement plan, financial account, or life insurance policy

As a member of Viewpoint’s Planned Giving Society, you will receive:

- > Invitations to exclusive events and on-campus talks
- > Subscriptions to *Viewpoint* magazine and donor publications (your gift will be acknowledged in the School’s Annual Report unless you prefer to remain anonymous)

Information for the attorney drafting your bequest:

- > The full legal name of the School is Viewpoint Education Foundation.
- > 23620 Mulholland Highway, Calabasas, CA 91302
- > The School’s Federal Tax Identification Number (TIN) is 95-2242261.

To learn more about making a planned gift or other giving opportunities, please contact Maureen M. Nash, Assistant Head of School for External Affairs, at Maureen.Nash@viewpoint.org.

Kathleen and Dean Rasmussen

“My family has been a part of Viewpoint’s community for nearly 40 years. My children, step-children, and grandchildren have all enjoyed the growth opportunities provided to students at this wonderful school. I believe in the power of education to transform lives. My own experience as a scholarship student was fundamental to my success, and I feel good about helping other deserving young people benefit from a Viewpoint education long into the future. I hope that others will join me in making Viewpoint School a part of their estate planning.”
